Deputy Director

Indonesian Trade Promotion Center, Los Angeles

Indonesia Trade Promotion Center (ITPC) Los Angeles is a non-profit trade development agency under the Ministry of Trade and Indonesia. ITPC's work includes promoting Indonesian products to the U.S. market, answering any trade inquiries from both Indonesian exporters and American importers, providing information about the U.S. market and its related matters to Indonesian exporters/manufacturers, as well as assisting American producers to get reliable sourcing partners in Indonesia.
